Subject: Drug Lab State Car Usage thru 05-16-12.xls
Attachments: Drug Lab State Car Usage thru 05-16-12.xls

Hi John,

Attached is a log of state vehicle usage from our reservation system. I know that Della said yesterday they need more than two vehicles but the data show that only on one occasion did the drug lab need more than one vehicle. There were a few times where multiple people went to court but in the same vehicle (entirs with like (X) show that). Thanks.

Grace
